

Results for the Malvern Archers

13th Open Nationals

Incorporating the CWAA Novice Championship

July 23rd 2017

Venue: Royal Grammar School, The Grange, Claines, Worcester
Gentleman Patron: Mr Colin Levy

Judges: Ms Susan Richards and Mr Andrew Stanford

A new venue for 2017 which I hope everyone thought worked very well. Despite some heavy rain on Friday and Saturday and a forecast of more to come on Sunday, we were treated to a warm and calm day, almost ideal for Archery.

Our thanks to the Judges, Susan Richards and Andrew Stanford who provided very clear guidance to our competitors and managed the shoot superbly throughout. I'm sure the Novices in particular also appreciated the words of advice and encouragement provided.

In some of the Gents and Ladies categories there was a clear leader from early on and the battle was over the podium places. In Recurve Rob shot what I believe is a new Warwickshire County record and Liz a new Redhill Club record. Scott managed to stay clear of the competition in Gents Compound despite switching his bow a few ends in and strong performances from others including a Six Gold end from Peter. Henry remains the star of the long-bow ranks.

While down on the numbers of juniors we had some very good shooting and close competition. The junior overall Recurve trophies being decided by just 3 points in the Girls and 7 points in the Boys. Aaron shooting for his last year as a Junior Compounder finished in style by increasing his own Worcestershire County record.

Congratulations to Laura, Oran and Beulah on winning your respective trophies for the CWAA Novice, and special mention to Kasia for pushing Beulah so close, either of the Girls scores would have won 3 out of the previous 4 CWAA Junior Novice trophies, so very well done. I hope all of the Novices will move on from here and become regulars at archery tournaments around the County and beyond.

Thank you to Colin, not only for being our Gentleman Patron on Sunday but for all of the years of help to the Club and its members as Treasurer and in a coaching role.

A final word of thanks to the small but fantastic team at Malvern Archers who helped put this shoot on, thank you all.

To you the competitors, we look forward to your company next year, until then Shoot strong!

Paul Willetts - Tournaments Officer, Malvern Archers
