

Results for the Malvern Archers
10th Open Nationals
(including CWAA Novice Championship)

July 20th 2014
Venue: Malvern College Sports Fields, Malvern

Gentleman Patron: Mr Julian Roskams, Mayor of Malvern

Judges: Miss Carol Brown and Mr. Andrew Leadbetter

**Weather: A hot and sunny day with some cloud and
a mild breeze developing later in the round.**

Considering that the day before had seen torrential rain and thunderstorms, we could not have asked for better weather conditions for our tournament.

Our gratitude must go to the hard work of the Field team for preparing and later dismantling the tournament field. With 94 Archers taking the field and the backdrop of the Malvern Hills the scene was set for a wonderful afternoons shooting, and the target list demonstrated the appeal of the sport to all ages.

For those moments while not shooting there was always the temptation of some truly delicious cakes, so to Malvern's multi-tasking ladies, thank you for looking after our refreshments, raffle collection, assisting with scoring for the juniors, official photographs and help in the field.

With Carol and Andrew officiating we were guaranteed that the event would be run firm, fair and friendly, thank you both very much.

And what of the Archers, a big thank you to all competitors and congratulations to our prize winners. You need only look to the handicap adjusted scores to see that many of you shot to or better than your handicaps, and not content with just PB's two of the Juniors have submitted National record claims, so very well done Elizabeth and James.

We look forward to welcoming you back next year. Good luck to all of the Novices in the year ahead.

To our Gentleman Patron, Mr Julian Roskams, Mayor of Malvern I extend our sincere thanks not only for joining us to present the trophies and medals but also for showing such a keen interest in the club and sport.

Last and by no means least for his advice and guidance in preparing for this, my first Tournament as organiser, and for slaving over a computer collating scores while everyone else enjoyed the shoot and sunshine, Thank you Dave.
